When Do Emails Arrive in Your Inbox?

Email open rates are the highest within 1 hour of delivery, so marketers should take care to send emails at optimal hours.

94% of all internet users use the internet to send or read emails. This is more than any other activity - more than the use of search engines (87%), the use of maps and finding directions (86%), checking the weather (81%), getting news (75%), buying a product (66%) or using social network sites (61%).

Let's talk.
